### **National Collegiate Men's and Women's Skiing Committee Selects Championship Field**

The NCAA Men's and Women's Skiing Committee announced today the 74 men and 74 women selected to participate in the 2019 National Collegiate Men's and Women's Skiing Championships, to be held March 6-9 at the Trapp Family Lodge and Stowe Mountain Resort in Stowe, Vermont. The championships will be hosted by the University of Vermont.

Participants are selected on a regional basis from two designated regions for Alpine skiing (East and West Regions) and three designated regions for Nordic skiing (Central, East and West Regions). Bids are awarded to regions using a formula determined by the skiing committee. A maximum of 12 student-athletes (three per gender per discipline) may participate from an institution.

Nordic events will be held Wednesday, March 6 and Friday, March 8 at Trapp Family Lodge. Alpine events will run Thursday, March 7 and Saturday March 9 at Stowe Mountain Resort.

This year's skiing championships will be webcast live on NCAA.com. Visit <http://www.ncaa.com/liveschedule> to watch all the action.
